

Wt::WApplication

```
classDiagram
    class Wt_WApplication["Wt::WApplication"]
    class AppView
    AppView --|> Wt_WApplication
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a thin black border containing the text "Wt::WApplication". Below it is a gray rectangular box with a thick black border containing the text "AppView". A solid blue arrow points vertically from the top center of the "AppView" box to the bottom center of the "Wt::WApplication" box, indicating that AppView inherits from Wt::WApplication.
